

DIALOGUE WITH AWARENESS – MAY 10, 2023

Dialogue Highlights: Gave explanation of what “Dialogue with Awareness” means.

Welcome to Everyone.....

Mind to Heart Drop. To bring us into unity.

1. TOPIC today - **The Dark Eon is now complete**. It is over.
2. We are celebrating “The Birth of the Star-Human”.
3. The incoming energy for this month is: STRENGTH
4. Tonight’s dialogue is very special - The long awaited Alpha-Omega NOW moment is what we are now experiencing.
5. **Self-ISH – Self-FULL – Self-CENTERED** ((Will explained)). – It is time for us to put an end to self-sacrifice. ALL of humanity now have direct access to Source Energy. All of us can go within to our “**God-Head**” and tap into our own inner-strength to co-create and manifest whatever we are wanting/desiring.
6. Our life journey is individual in nature. You can’t compare your experiences with another’s.
7. We each have our own unique **Energetic Signature** or **Multi-dimensional log-in**, and it is the unique “**Key**” we use to access our multi-dimensional aspects.
8. This work is ALL being done internally.
9. We can’t not make a brief comment on the event called the “Coronation” that occurred on May 6, 2023. It must be noted that the “Crown” that was placed on the head of the usurper “**King of Tyranny**” was an **Imperial Crown**.
10. It was the only Crown he could wear since the truth of his role had to be displayed for the world to see him for who and what he truly is.
11. The dark ones have literally run out of time and so they are desperately trying to add another hour to the day to make it a 25 hour day. (an act of futility)
12. The ancient machinery that allowed them to appear as human has been neutralized. They are beginning to “glitch” (as recently happened to Katie Perry) until they will no longer be able to hold their glamour (illusory façade).
13. We are the beginning and ending of ALL that we experience. We are each the Alpha and Omega. We begin and end everything in our personal life experiences.
14. Be aware that EVERY thought you have is a “cause” and every experience its “effect”.

DIALOGUE WITH AWARENESS – MAY 10, 2023

15. The true nature of the ANKH. (Will explained). --- It is the symbol of eternal life, as it represents HEALING. **In short**, it keeps the physical vessel in a constant state of repair.
16. Last week the Feminine and Masculine Energies unified in a sacred hierogamy union. Humanity is now perfectly balanced internally. --- The Matriarchal Trinity was reintegrated and rebalanced – that is, the Mother, Daughter & Holy Spirit merged with the Father, Son & Holy Ghost. --- One energy is NOT dominant over another. They are PERFECTLY balanced.
17. It is also understood to be the restoration of the Masculine energy “**King Arthur**” with his Feminine counterpart “**Guinevere**” in Avalon.
18. This effectively repaired the damage that was done to the “Wall in Time” when the realm was invaded eons ago.
19. With the restoration of our inner **Jacob’s Ladder** or **Stairway to Heaven**, angelic humans can now re-enter Shambhala which has “**come back into phase**” throughout the dimensions.
20. Some of you may have observed the energetic upgrades that have been taking place particularly on Saturday and Sunday May 6 & 7 (2023).
21. It is not coincidental that the event called “The Coronation” occurred in that time period.
22. Unfortunately, for them their dark circuitry became **overloaded** when they tried to **siphon** off Source Energy, as they had been doing to the angelic-humans that were trapped in their inverted dark-matter world. Needless to say, it was not a happy nor pleasant experience for any of them.
23. Shambhala is an inner multi-dimensional **HUB** that allows us to travel through the dimensions and allows us to reconnect with the multi-dimensional aspects of ourselves.
24. Those who are willing to do the inner-work now has access to this multi-dimensional **HUB** via the **House of Source**, f/k/a The Hall of Records, which we access via the **Mind To Heart Drop**.
25. Access to the **House of Source** enables us to restore our personal inner libraries which was damaged when the realm was invaded so very long ago.
26. I gave you a gift that is available on the Time Line Café called “**A Gift for You**” to assist you in relearning how to focus your creative energies.

DIALOGUE WITH AWARENESS – MAY 10, 2023

Hint: Source (Source Energy) is your “**Twin-flame**”. It is the energy you use to co-create with.

ALERT! - The dreaded **AI Singularity Timeline** is no longer viable except for those who wish to experience it.

REMEMBER: - You have absolute free-will and are a powerful creator-god in your own right.

27. **Scotland is the new Zion.** (Will explained)

Addendum to May 10th, 2023 Dialogue

- ❖ As was mentioned by Will, the usurper (false) king and queen of tyranny has been de-throned.
- ❖ The true King and Queen was installed on May 2, 2023 in Scotland, the new Zion.
- ❖ The “Snow White” apple, i.e., the red apple (signifying blood) was replaced with the Source Golden Apple (signifying the Golden Age).

Kingship

True Kingship has nothing to do with hierarchy, that is, ruling over anyone since ALL humans are individual sovereigns on a “unique” spiritual path to Source or God. It is time for us to don (**put on**) our cloaks of divinity and reclaim our divine “Kingship”. It doesn’t matter if you are male or female, you are reclaiming your “Kingship” because Spirit is genderless.

Metaphysical meaning: Kingship is the Executive faculty in every man whose life is guided, governed, and directed by Spirit.

At the level of the A or Source timeline we must do ALL of our work (manifestations) from within.

1 Corinthians 2:14

You cannot use your physical eyes to “see” what is happening. This work is spiritual in nature and it is all happening internally. --- **The bible explains it as: 1 Corinthians 2:14** - But the natural man receiveth not the things of the Spirit of God: for they are foolishness unto him: neither can he know *them*, because they are spiritually discerned.

DIALOGUE WITH AWARENESS – MAY 10, 2023

Rise of the “**Holy Grail**” (which is **within** each of us) & Birth of the new “**Star-Human**”

We now have access to our entire Personal Christ incarnations (life-times) through the many stations of identities we have had, throughout all timelines in every density.

As we integrate this divine restoration, we are also reclaiming our divine inheritance as Galactic and Universal **Star-beings** awakening to remember who we really are, throughout all of this space (spiritual) war drama.

In previous timelines with the damage that was done to our inner dimensional portal or stairway to Heaven or Jacob’s Ladder, angelic humanity was subjected to being recycled through repeated reincarnation cycles, because we could not remember who we were or remember how to connect with our highest spiritual selves and organic spiritual family.

I strongly recommend that you listen to the NEVILLE GODDARD’s
– **WE ARE THE GOD’S WHO CAME DOWN** –

ON THE WELCOME PAGE OF “THE TIMELINE CAFÉ”
- read by Brian Scott.

This inner dimensional portal restoration offers fantastic physical health functions that activate the immune system and organs, by linking the Thalamus to the Thymus to protect the spiritualized Christ pattern in the blood from any infiltration of miasmatic (dark) patterns. As well as offer an incredible array of higher sensory perception skill sets that go way beyond anything humanity can currently imagine.

I am personally able to access my inner “Stairway” and harvest huge amounts of “historical” information, which I share with my fellow life-travelers, as we do our part by working together to **reverse engineer** the financial and spiritual enslavement of humanity.

This inner activation will soon make it impossible to believe the lies told by others or be fooled by deceptive narratives any longer. As you attune to the coherent and **krystal clear truth** of your Inner Christ consciousness, it will be the only thing directly known, felt and seen.

This inner light-body activation occurred on May 10, 2023, and is now available for each ascending Soul.

DIALOGUE WITH AWARENESS – MAY 10, 2023

The Golden Apple

You now have access to the Golden Apple for the Golden Age.

Their apple was red signifying blood sacrifice.

Source's Apple is Golden signifying abundance. Manna from Heaven.

The Golden Apple is imbued in the language of living knowledge that is the Universal language of interconnected energy relationships that are encoded into every molecule, present within every atom and found in every element in the matter world.

Source's Golden Apples are essentially the **spiritual insights** that come as a natural part of spiritual ascension and consciousness expansion, by being exposed to the knowledge of Truth and digesting its contents.

It is the organic way angelic humanity was supposed to grow and evolve. i.e., by assimilating life experiences through gnostic revelation, by acquiring the wisdom that occurs when remembering these experiences accumulated from all of our many lifetimes. From being able to access our inner-libraries.

Source's Golden Apple holds the immense power of sacred wisdom and holy truths recorded in beautiful celestial music and light language which could only be disseminated and embodied by those of a pure and sacred krystal heart.

It is why acquiring this "esoteric knowledge" became known as the **Forbidden Fruit of the Tree of Knowledge**, and worshipped by the Luciferians.

The Golden Apple is the perfected symbol of the Earth's morphogenetic field as a celestial mirror to the cosmological pattern of stars in the heavens.

When the Earth realm was invaded by the former dark overlords, the magnetic field was distorted into reversal patterns which Earth's Guardians referred to as the proverbial **Poisoned Apple**.

DIALOGUE WITH AWARENESS – MAY 10, 2023

This awareness of (**but not access to**) the Golden Apple is the basis of the Genesis chapter which relays the account of Eve tempted by the serpent to eat the **Forbidden Fruit** and thus bring on the **Fall of Humanity**.

The Sacred Tree in the Garden of Eden (Tiamat)

The Tree of Knowledge contained the sacred language of the living knowledge held in the Golden Apple. It was protected by the benevolent Dragon Guardians, which has been the theme woven throughout Irish, Celtic, Norse and Greek folklore.

Whenever we (angelic-humanity) are able to evolve towards the unique state of alignment with the Avalon contained in the 11D Rod and Staff called **King Arthur** and **Guinevere** or hierogamic consciousness, we are in effect given the opportunity to take a bite of the Golden Apple.

This is a grid feature as well as a way to describe acquiring “**Truth and Wisdom**” on the path of gnosis or inner-knowing.

The Golden Apple is made of Solar consciousness, it is similar to ingesting the living rays of the sparkling white golden sunlight (which recently reappeared in the realm) to assimilate the intelligence held within its **living-light** streams.

When we are given permission to eat the Golden Apple of the Solar Light, we are catapulted into the many dimensions (multi-dimensional arena) of the Cosmic Christos Dragon Teachings.

We begin to inherently understand or directly experience kundalini and the inner (holy) grail is activated along with our personal lightbody.

This inner-activation enables us to perceive the planetary grid system and beyond, which further awakens the Solar Dragon consciousness slumbering in the Earth.

The entire realm is currently undergoing intense shifts that are changing the electron and proton spins that form electromagnetism, in order to eradicate the **Poison Apple Network** and its false magnetism configurations that have shrouded humanity in the shadows of lunar spiritual oppression for thousands of years.

Humanity is finally at that stage in our spiritual awakening that we are developing “eyes to see” and “ears to hear” Truth in ALL of its myriad manifestations. Both inner and outer or Within and Without.

Now that all obstacles have been removed (within the Now continuum) and angelic humanity has regained access to the Stairway to Heaven / Jacob’s Ladder, and are finally able to once again enter the sacred **Halls of Shambhala**, to access the **House or Home of Source**, formerly known as **The**

DIALOGUE WITH AWARENESS – MAY 10, 2023

Halls of Amenti, those who are ready and of their free will choice can begin their ascension journey to the level they are energetically compatible with.

It is your divine right to reclaim your stolen life force energy. You can do this by issuing the decree:

- ❖ “I now claim back my life force energy from all jurisdictions that took it w/o my informed knowing and consent”.

Note: Your life force energy should NOT be taken without your consent. Now that you are aware of this fact it cannot be taken without your consent. It is a major spiritual violation and also a violation of Universal Law.

Simply issue the decree that you do not permit it --- then hold it to be so. Remember, you are a powerful angelic-being who is infused with Source energy.

- ❖ **Luke 17:6** - “And the Lord (you Soul) said, **If ye had faith as a grain of mustard seed, ye might say unto this sycamine tree, Be thou plucked up by the root, and be thou planted in the sea; and it should obey you.**”
